

Be a hero SAVE THE DAY!

2014 Annual Report

SBCC MISSION

The Coalition's mission is to promote and enhance the lives of all affected by Spina Bifida.

SBCC VISION

Empowering People. People with Spina Bifida can achieve their maximum potential with support, information, and accommodations through: education, parental support, social networking, advocacy and public awareness.

SBCC Service Area

The Spina Bifida Coalition of Cincinnati services southern Ohio, southeastern Indiana and northern Kentucky, including Adams, Boone, Brown, Butler, Campbell, Clermont, Clinton, Dearborn, Franklin, Hamilton, Highland, Jefferson, Kenton, Ohio, Ripley, Switzerland and Warren counties.

Who We Are

The Spina Bifida Coalition of Cincinnati is a 501(c)3 organization working since 1973 to enrich the lives of those affected by Spina Bifida. We are parents, professionals and adults with Spina Bifida collaborating to offer programs and resources to families in the tri-state.

Programs and Services

Family Support

Born from a need to connect with other parents we recognize the value of sitting and sharing information. The support meetings fill that need. Families gather at host sites around the city to share information and experiences in an informal setting. Children and their siblings are entertained while parents are free to have some conversations together. The bonds between parents and children that are formed during this opportunity will continue to support and encourage participants for a life time. Some of these events take on more social experience. Anything we can do to encourage building community within our coalition is a benefit to the whole community. In 2014, seven events were offered for families to gather and share their experiences. These events provide dinner to let parents take a night off too. (277 participants for \$1422.)

Support During Hospital Stays

We try to keep track of our children's' hospitalizations while respecting their privacy, but everyone likes to be remembered. SBCCincy sends Mylar balloons to the room of children in-patient at CCHMC to brighten their day and wish them a speedy recovery. We also provided over 200 meals to their parents. Our mom's also provided special treats for hospital stay. (288 participants \$1440.00)

Scholarships

Scholarships are offered to encourage participation in Camp or community recreation programs, school education support, national conference attendance, post-secondary education, and adapted driving classes or car modifications. In 2014 SBCC awarded fifty scholarships, including four Post-Secondary Education awards of \$500 each. The goal of these funds is to encourage participation in all types of community life. Fifty camp and recreation scholarships were awarded and provided opportunities for participation in swimming, riding, soccer, cheerleading, sled hockey and other therapeutic and adapted sports. Eight scholarships provided direct aid to families facing financial challenges. Four families took advantage of funds to help pay for participation in the National Conference offered by the Spina Bifida Association of America. (61 Scholarships \$12,608.00)

Touchpoints

Gif packages are shared with families at progressive milestones in a growing child's life: Prenatal Diagnosis, Birth, School-age, Pre-teens and Older Adolescence. The packets are filled with age appropriate information, books and small gifts. Within the first few weeks of a newborn's life these packets are the welcoming gift from our community. (5 packages sent \$281.00)

Weekend in the Woods

The SBCC Overnight camp at Camp Joy is an opportunity for teens with Spina Bifida to experience an empowering weekend camp in fully-accessible environment with assistance as needed. With plenty of time to fish and just hang out around the fire, but there were also a few opportunities to some techniques for building better relationships. Campers are challenged in a variety of ways to develop independence. (13 participants \$3500.00)

Social Opportunities

For several years our Signature Sponsors, Cincinnati Bell and CBTS, have donated tickets so that our adult population can take in the experience at Great American Ball Park. This year they were able to provide 18 tickets allowing us to have adults and their guests join in the fun. SBCC also hosted a family event at the park. One a glorious summer afternoon our community gathered and shared a game together. Families also took in a game with the Florence Freedom.

The Holiday Party again proved to be the highlight of everyone's Christmas. The gifts secured by the Dental Center of Florence fulfilled many of the wishes of our children. Santa made his rounds to distribute them. Catheter Partners joined in the fun bringing with them the Petite Princesses. The excitement was hard to contain. Donated food from Skyline Chili and Firehouse Subs added to the celebration. (150 participants \$1666.00)

Other holidays were celebrated this year as well. We added Breakfast with the Easter Bunny and a Grateful Thanksgiving celebration for our families to join together for some fun.

Walk & Roll

The year wouldn't be complete if we didn't mention the Walk & Roll. Held now for 14 years at Miami Whitewater Forest Park, the families of the coalition use the time leading up to the big day as an opportunity to share our mission with their family and friends, raising almost 70% of our operating budget. Building Teams around their loved one with SB, families invite participants to the park to enjoy the hospitality of the coalition and the community that we share. This year's theme of recognizing the heroes in our lives took a fun twist as we passed out capes to all of the children. A head count of families, friends and volunteers indicated that there were 700 in attendance. Donations of food and paper products helped us keep our cost for the event very low. Overall the funds raised for the event were over \$82,000.00. (700 participants \$7,576.00)

Social Media and Social Graces

New programming added in 2014 to address the needs of a specific segment of our community. Designed for teenagers this opportunity shared with the girls gave them time together to build community and share some experiences without parental scrutiny. A visit from a college disability advisor

gave the girls and their mom's something to think about. The girls enjoyed a painting experience and helped prepare the baskets for our family Breakfast with the Easter bunny. (18 Participants \$330.00)
